The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Shelby Township Activities Center Gymnasium and Site Improvements project for fiscal year 2024. This project consists of an 8,700 square foot gymnasium addition, new parking and site improvements to provide much needed program and activities space for the thriving Shelby Township Activity and Senior Center. The project is an appropriate use of taxpayer funds because this Activity Center will provide extensive programming for the senior population of Shelby Township, and surrounding communities. This facility aids in keeping our seniors (50 and older) mentally, physically, and socially healthy.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 USC 5305 (a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "John James", written over a horizontal line.
